Honoka  
Kousaka

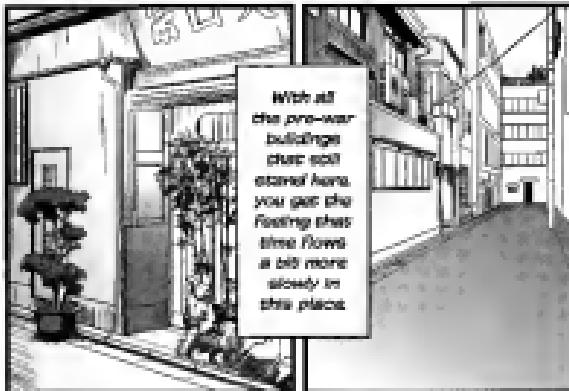

X<sub>1</sub>

X<sub>3</sub>  
X<sub>4</sub>

THIS IS  
the town of  
Asagi, located  
in the lower  
regions of  
Tokyo's  
Chiyoda  
ward.

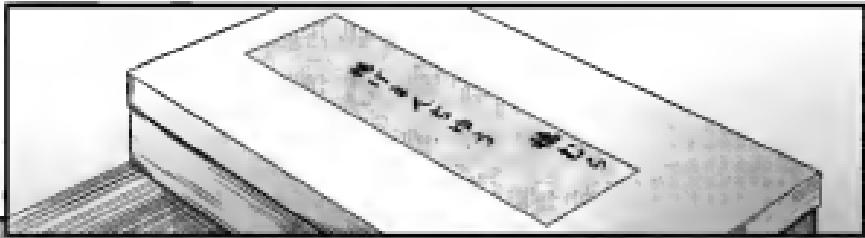

With all  
the pre-war  
buildings  
that still  
stand here,  
you get the  
feeling that  
time flows  
a bit more  
slowly in  
this place.

This is  
the town  
where I,  
Honoka  
Kourakai,  
was born  
and raised.

Although  
it's relatively  
unknown  
compared  
to the super  
ultra  
popular  
Akibahara  
right next  
door.

MAY WE  
ACHIEVE  
A SPLENDID  
VICTORY IN  
THE KENDO  
COMPETITION  
TOMORROW!

And my  
grandma  
would've  
been coming  
here, uh,  
a-sixty  
years ago!?

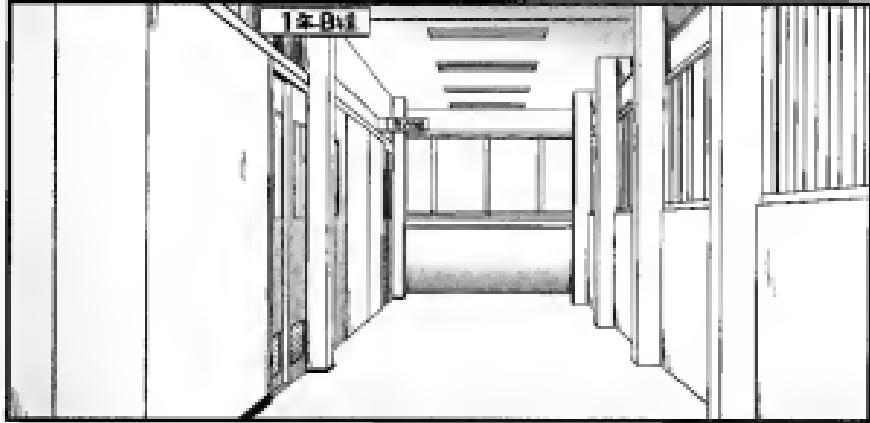

It's the  
school that  
my mom,  
my grandma,  
and her mom  
all went to!

Some of  
the same  
things my  
mom and  
grandma  
used are  
still here.

Maybe  
that's  
why...

HONOKA!

I JUST  
HEARD  
THAT THE  
SCHOOL  
MIGHT BE  
CLOSING  
IN THREE  
YEARS!

I'M NEVER

Huh?

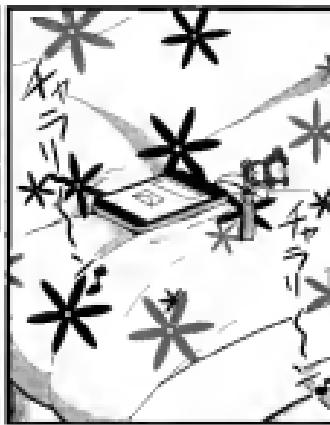

**THIS IS IT!**

We'll work together to stop the school from closing down.

Oonishi will be getting much more exposure if we win the city tournament. All right, I'll be giving my all as well.

Let's do our best at morning practice tomorrow!

GOOD MORNING!

WHY HAVEN'T YOU  
CHANGED OUT OF YOUR

I'M  
QUITTING

BECOMING

THEN I

...AND  
IF I WENT  
TO UTX,

DON'T  
YOU  
AGREE?

I wanna

SO IT'S  
ONLY NATURAL  
THAT EVERY

IS THAT HOW IT IS?  
I NEVER KNEW LTX WAS THAT POPULAR.

I'M

BECOMING  
AN IDOL!

I've been racking my mind... so desperately...

That's why I've been thinking of a different way...

Even so, I'm never gonna give up!

But we can't do it through Kendo.

SHHH, THANKS!

Victory is mine!

In those days,  
our future  
shone brightly.  
Like the sun on  
a summer  
morning.  
Every day, we  
experienced  
something new

Back when  
we were  
youngsters,  
Momoju  
would often  
knock me  
over like  
that while  
swordfighting

I'd grown  
accustomed  
to this  
repetitive  
daily routine.  
But still...

Due to  
this  
dull  
lifestyle,  
Kento,  
and I  
left  
school.

Every day  
brought  
with it new  
surprises...

I feel this  
palpitation,  
as if some-  
thing new  
is about  
to begin

That feeling  
is coming  
back to me

I do  
not  
know  
what  
but...

I AM

THAT THIS IS  
OUR FIRST.  
OUR

AND, OUR  
LAST CHANCE.

# Chapter 7

There's also a registration fee for  
Love Live...  
sob.

## ZERO FUNDING

We're making do with what we have on hand, but I'd prefer matching clothes.

Our current budget is, of course, zero.

E. Funds

Plus, the entry form needs the supervising teacher's seal of approval. We don't have that many here, so this might actually be a bit of a challenge!

4. An advisor

Right now, we're doing the dances, but it seems that we'll need a song of our own for the live.

3. An original song

Is that really something a regular high schooler can make?

You've  
gotten  
big in  
here!

No, no!  
Don't  
let me  
overgo  
you!

It's

THIS  
MIGHT BE  
TOO MUCH  
AFTER  
All...

Sighhh

# Chapter 0

Now, this traditional school is scheduled to burn off its lights for good in three years, as part of a re-structuring project.

BUT... WHAT  
EXACTLY  
CAN WE DO?

I DON'T  
WANT OUR  
SCHOOL  
TO JUST  
DISAPPEAR!

I KNOW! IF WE BECOME IDOLS,  
OUR SCHOOL MIGHT GET MORE POPULAR!

This is  
their  
story.

IF YOU'RE  
WATCHING,  
THEN I'M SURE...

ALL I WANT TO

## ■ Afterword ■

Hello, this is Arumi Tokita.  
Thank you for reading Volume 1 of Love Live!

I'd already been a Love Liver, but I never imagined that I'd see the day when I'd work on it like I am now...

Reading Ms. Kimino's plot and dialogue always put a smile on my face, and the new setup and backgrounds surprised me. It was my greatest pleasure to have the honor of drawing it.

The world of Love Live is a different in the comic version than in the anime PVs, drama CDs, and the anime series, but I hope you'll enjoy it all the same.

Translated by TMNBS Scans

You're  
at it  
again?

AAAAAH!  
I'm gonna  
be late for  
practice!

おつかれさまでした！  
Thank you  
very much
